

# Philippine Health Agenda 2016-2022

@erictayagsays

"Of all forms of inequality,  
injustice in health care  
is the most shocking,  
and inhumane."

- Martin Luther King

# Philippine Health Agenda

*"All for Health towards health for All"*

Goals: Better health outcomes without disparities, Financial risk protection, Responsive health system

Values: Equity, Efficiency, Quality, Transparency

A C H I E V E

## The Health System We Aspire For

### FINANCIAL PROTECTION

Filipinos, especially the poor are protected from high cost of health care

### HEALTH OUTCOMES

Filipinos attain the best possible health outcomes with no disparity

### RESPONSIVENESS

Filipinos feel respected, valued, and empowered in all of their interaction with the health system

## What Binds and Guides Us

EQUITABLE & INCLUSIVE TO ALL

TRANSPARENT & ACCOUNTABLE

USES RESOURCES EFFICIENTLY

PROVIDES HIGH QUALITY SERVICES

# Persistent Inequities in Health Outcomes

Every year, more than 2000 mothers die due to pregnancy-related complications.

A Filipino child born to the poorest family is 3 times more likely to not reach his 5<sup>th</sup> birthday, compared to one born to the richest family.

Three out of 10 children are stunted.

# Restrictive and Impoverishing Healthcare Costs

Every year, 1.5 million families are pushed to poverty due to health care expenditures

Filipinos forego or delay care due to prohibitive and unpredictable user fees or co-payments

Php 4,000/month healthcare expenses considered catastrophic for single income families

# Poor quality and undignified care synonymous with public clinics and hospitals

Long wait times

Limited autonomy to choose provider

Less than hygienic restrooms, lacking amenities

Privacy and confidentiality taken lightly

Poor record-keeping

Overcrowding & under-provision of care

**Investing in People**

**Protection Against  
Instability**

- **UNIVERSAL HEALTH COVERAGE**
- **STRENGTHEN IMPLEMENTATION OF RPRH LAW**
- **WAR AGAINST DRUGS**
- **ADDITIONAL FUNDS FROM PAGCOR**

# **ALL FOR HEALTH**

## **TOWARDS**

# **HEALTH FOR ALL**

**Lahat Para sa Kalusugan!**  
**Tungo sa Kalusugan Para sa Lahat**

## OUR GUARANTEES
